Re: *Leighton Technologies LLC v. Oberthur Card Systems, S.A.*,
Case No. 04 Civ. 02496 (CM) (LMS)

Dear Magistrate Judge Smith:

Counterclaim Defendants (Leighton Technologies LLC, General Patent Corporation International, General Patent Corporation, IP Holdings LLC, Alexander I. Poltorak, Paul J. Lerner, and Keith Leighton) seek to enlarge the amount of time to respond to Oberthur Card Systems, S.A.'s and Oberthur Card Systems of America Corporation's (collectively "Oberthur") Counterclaims. The Counterclaim Defendants were served with the counterclaims on different dates and, therefore, the respective responses are due on different dates. Additional time is needed in order to work through representation issues relating to the Counterclaim Defendants. The Counterclaim Defendants seek an extension until December 19, 2005. Oberthur does not object to the enlargement.

The Counterclaim Defendants therefore respectfully request that the Court enter an order extending the deadline for the Counterclaim Defendants to respond to Oberthur's counterclaims until December 19, 2005.
